### PROFILE

---

Recruitment professional with 22 years of experience in a variety of areas including:

- Executive recruitment and search in financial services, healthcare, real estate, consultancy, sustainability, life sciences, start-ups, PE backed businesses, NHS, digital transformation, industrial and professional services
- Career coaching return to work and confidence advisor; including CV rewriting, interview training and job search strategy
- Earning Capacity Reports - used in divorce proceedings in the UK. Assessments can be made about an individual's earning capacity based on just their CV/LinkedIn profile.

References are available for all of the services that I offer.

## WORK EXPERIENCE

**2012 - DATE: FREELANCE CAREER COACH**

[www.clairedeaconcoaching.co.uk](http://www.clairedeaconcoaching.co.uk)

Transformational coaching for people at a crossroads in their career, those returning to work after a break or individuals who are seeking more purpose in their work life.

**2020 - DATE: FOUNDER, EARNING CAPACITY REPORT**

[www.earningcapacityreport.com](http://www.earningcapacityreport.com)

Comprehensive reports that assess an individual's earning capacity. I work with family lawyers and mediators on behalf of their clients to achieve a resolution on disputes related to earnings during financial remedy cases. My reports vary in length and can be done on a single or joint instruction. It is not necessary for me to meet the person I am writing about to obtain the data that I need.
